### In Support of MAA04

#### Prior Years

Completed second year of sediment and stream monitoring and data collection and completed a report on the sediment monitoring for the Watershed Protection Program 2004-2020. Data showed reduced sedimentation in creeks after completing the road and trail improvements.

Completed first year of sediment and stream monitoring and data collection.

Pursued Bay Area Ridge Trail gaps between El Corte de Madera Creek and La Honda Creek preserves by working with partners and landowners to convey interest in land or trail easement purchases.

### PROJECT CHALLENGES

Land acquisition to complete gaps in the Bay Area Ridge Trail requires willing seller.

### POTENTIAL NEXT STEPS

Continue to seek willing sellers to complete gaps in Bay Area Ridge Trail.
