

## **Agenda Report Questions for 1/9/19**

### **Director Riffle**

Can you please ask someone to explain payment 79426 - HAZWOPER training?

This is for Hazardous Materials First Responder Awareness Training. We are required by Cal OSHA and state law to train our field staff, and other personnel, annually to be aware of potential hazardous materials in case of accidental spill or release that may occur in the course of their duties. The cost was \$95 each for 60 staff members.
