

Introduction: Americans with Disabilities Act Programs, Services, and Activities Questionnaire

BACKGROUND:

Midpeninsula Regional Open Space District (Midpen) is preparing an Americans with Disabilities Act (ADA) Self-Evaluation and Transition Plan Update. As part of this process, you are requested to complete a self-assessment questionnaire that addresses the availability of programs, services, and activities for the public. Examples of programs, services, and activities that serve the public include: obtaining a permit, participating in an agency interpretive program, or attending a public meeting such as a Board meeting.

While some of the questions relate to Midpen employee actions and training, the Self-Evaluation does not address employee-related work issues, which are covered under Title I of the ADA. All questions should be answered as they pertain to services, programs, and activities provided to the public. MIG will review and analyze the information collected from this questionnaire to evaluate the current level of program accessibility at Midpen. Responses will inform the development of a strategic approach for barrier removal to programs, services, and activities.

Topics addressed in the Program Accessibility Questionnaire include:

- Description of Program Activities
- Customer Service
- Notice Requirements
- Printed Information
- Television and Audiovisual Public Information
- Website
- Telephones and Communication Devices
- Training and Staffing
- Program Eligibility Requirements and Admission
- Public Meetings
- Transportation Services
- Tours and Trips
- Use of Consultants and Volunteers
- Emergency Evacuation Procedures
- Facilities
- Special Events and Private Events on District Properties

The questionnaire will take about 20-25 minutes to complete. Please respond to the questionnaire by Tuesday, November 7, 2017. Responses will be sent directly to MIG. If you have any questions or need further assistance, please contact Ashley Tomerlin at (510) 845-7549 or ashleyt@migcom.com.

The online questionnaire can be found at https://www.surveymonkey.com/r/MidpenADA

General description of the programs

"Programs" refers to programs, activities, and services offered to the public.

Each division or program that provides direct public service should complete a questionnaire. For example, the Project Planning and Delivery departments would complete one survey for its Planning Department, one for its Real Property Department and another for its Engineering and Construction Department. Similarly, the Visitor Services and Land & Facilities departments would complete surveys for each division within the department.

If you have questions about how many questionnaires to complete, please email Ashley Tomerlin at ashleyt@migcom.com.
