Purpose and Charge

- Work directly with the District project team to evaluate and submit feedback on viable parking and trailhead access options to expand accessibility to the central area of the Preserve

Project Goals and Objectives

- ✿ Establish new public access in the central portion of the Preserve.
- ✿ Design elements to reflect the rural character of the site and the Red Barn.
- ✿ Provide safe public access.
- ✿ Balance public access with grazing activities.
- ✿ Include amenities that facilitate environmental education.
- ✿ Protect scenic views of and from the site.
