## **Additional Requested Information December 12, 2019**

The below is provided in response to information requests from the PAWG.

### **Caltrans Right-of-Way Plans**

At the September 22, 2019 meeting, the PAWG requested Caltrans' right-of-way plans. La Honda is located in Caltrans District 4. Right-of-Way maps are available through a web map application entitled "Caltrans D4 Right-of-Way Maps" for determining right-of-way boundaries.

### **Requested Video Footage**

During the November 16, 2019 site tour, the PAWG requested video footage of the La Honda Creek area not seen on the hike. The PAWG hiked from the former residence area northeast into the Preserve along an existing road that stopped at a gate just before the creek. After the October 19, 2019 site tour, the PAWG asked to see the view of and from a corral area, west and down slope from the Red Barn.

#### **1 View of corral area from Red Barn**

At the October 19, 2019 site tour, the working group visited the Red Barn site, looking down at the corral area while standing next to the Red Barn. This is the view the PAWG had during the first site tour.

#### **2 Lower Red Barn - corral area**

At the October 19, 2019 site tour, the working group visited the Red Barn site, looking down at the corral area while standing next to the Red Barn. This view of the corral is slightly downhill from the Red Barn.

#### **3 Lower Red Barn - in corral area**

At the October 19, 2019 site tour, the working group visited the Red Barn site, looking down at the corral area while standing next to the Red Barn. This is a view from inside the corral up towards the Red Barn.

#### **4 Lower Red Barn - road from corral area**

At the October 19, 2019 site tour, the working group visited the Red Barn site, looking down at corral area while standing next to the Red Barn. This is the road that could be used to go down to the corral site.

#### **5 Hike - Trail down to La Honda Creek**

During the November 16, 2019 site tour, the PAWG hiked an existing road northeast into the Preserve and stopped at a gate just before La Honda Creek. The PAWG requested video footage of the rest of the road from the gate down to the creek. This video is from the gate down to the creek. Continuing past the creek would lead up to Gate LH07 and Highway 84.

#### **6 Hike - Trail up from La Honda Creek**

During the November 16, 2019 site tour, the PAWG hiked an existing road northeast into the Preserve and stopped at a gate just before La Honda Creek. The PAWG requested video footage of the rest of the road from the gate down to the creek. This video is from the creek back up to the gate.
